About **Jaegerndorfer USA**

Jaegerndorfer USA is now part of Nevada Hobby Distributors, in the beautiful region of Reno, Nevada. All of our products are all engineered in Austria. We are dedicated to bringing the finest winter models of Aerial Tramways, Ski-Lifts, Gondola Systems, Pistenbullies, Figures, Dolls and Accessories to the US Market.

Ski Resorts can make a lasting impression, increase brand awareness, broaden their marketing out-reach and best of all increase sales by customizing Jaegerndorfer products; Ski-lifts, Gondolas, Aerial Tramways, Keychains etc. with their own ski resort logos printed on them.

Ski enthusiasts can recreate memories from their winter vacation, enrich a train layout and operate an interesting display for home or office during the holiday season. These prototypical winter models are ideal for collecting memorabilia from your favorite ski resort and make ideal gifts for parties, weddings and corporate events.

AERIAL TRAMWAYS & SKI LIFTS

The Doppelmayr/Garaventa Group is the market leader in ski lift systems with over 14,800 systems in 92 countries around the world.

The SILVER Compact Set Edition is the affordable starter set for all fans. Ideal for small spaces.

The GOLD Play Set Edition is the smaller sister of the Pro Se

The PLATINUM Pro Set Edition is the ultimate build-out ski lift system with base and mountain stations.

**All Jaegerndorfer products (Gondolas, Chairs, Towers and other accessories of the 1:32 line) are compatible with these entry models.*

PistenBully®

The PistenBully 400W is a die cast model with a few plastic parts for detailing. On firm ground the Pistenbully can climb up to 45° hills. Two powerful gearbox driven motors power the unit and the 3.6V Lithium-Ion battery holds power for a long pleasurable playtime.

Functions:

- Orange blinking lights.
- Bottom head lights.
- Snow plow lift and lower.
- Finisher raise and lower.
- Forward/backwards motion.
- Right/Left and turn on the spot.

without winch
